From: Town of Swan's Island

## Corona Virus Update 5/4/2021

**The following State of Maine policies have changed. Swan's Island policy has been updated to reflect these changes.**

### **Intra State Travel:**

As of May 1, 2021, Maine no longer requires proof of a negative test or quarantine for travelers to the state.

(If one or more states sees a spike in cases of highly contagious COVID-19 variants, Maine will apply its test or quarantine requirement to travelers to and from that state. The Maine CDC will publicly announce any such states when they are identified.)

### **International Travelers:**

In line with U.S. CDC guidelines, all people who arrive in Maine within 7 days of entering the U.S. must quarantine for 7 days from arrival in the U.S. AND get a COVID-19 molecular or antigen test 3-5 days after arrival in the U.S. Even if the COVID-19 test is negative, individuals must complete the 7-day quarantine after travel. If the test is positive, [individuals must isolate](#). Individuals arriving from international travel who do not get a COVID-19 test should quarantine for 10 days after arrival in the U.S. Individuals who arrive in Maine more than 7 days after arrival in the U.S. should follow guidelines for domestic travelers arriving in Maine from non-exempt states.

## **Face Coverings:**

**Maine no longer requires wearing of face coverings in outdoor settings.**

Maine does mandated [wearing a cloth face covering \(PDF\)](#) in public settings. Owners and operators of all indoor public settings in Maine must post signs notifying entrants of the requirement to wear a cloth face coverings, and may deny service or entry for non-compliance.
