REVISED: June 15, 2020

FROM: TOWN OF SWAN'S ISLAND

SUBJ: CLARIFICATION OF SWAN'S ISLAND POLICY

1. Anyone coming to Swan's Island other than from Maine, New Hampshire and Vermont must have evidence of a negative COVID-19 test or quarantine for 14 days.
2. A copy of the test shall be furnished to the Town Office upon arrival. Please call 207-526-4279 to make arrangements to drop off the document.

The following are requirements for the 14-day quarantine:

Self Quarantine Guidelines:

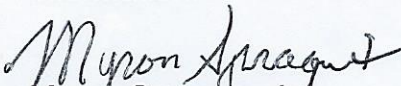

- (1) Stay on your property during the length of the quarantine and monitor your temperature. Practice social distancing, if anyone approaches your property. Have a mask available at all times.
- (2) Arrive with enough food and supplies for the 14-day period. If you need something from the store, call TIMS (526-4043) and place an order. You will need to pay by credit card. Arrangements will have to be made for pickup of your order.

*Swan's Island policy has been modified to allow walking on roads and hiking as social distancing is maintained. Have a mask with you at all times.

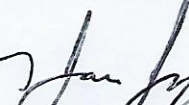

NOTE: WE encourage social distancing at all times. If you get within six feet of people, we recommend wearing a mask. This includes all public places such as beaches, store, Post Office, Mill Pond Park, etc.

Any questions, please contact the Town Office at 207-526-4279.

We encourage you to keep checking with the Maine CDC for more information on COVID-19 and the Governor's Order visit at <https://www.maine.gov/covid-19> for further information.
